## About NCSBN

The National Council of State Boards of Nursing (NCSBN®) is a not-for-profit organization whose membership comprises the boards of nursing in the 50 states, the District of Columbia, and four U.S. territories — American Samoa, Guam, Northern Mariana Islands and the Virgin Islands. There are also 27 associate members.

The member boards that comprise NCSBN protect the public by ensuring that safe and competent nursing care is provided by licensed nurses. NCSBN is the vehicle through which boards of nursing act and counsel together on matters of common interest.

### Our Mission

The National Council of State Boards of Nursing (NCSBN) provides education, service and research through collaborative leadership to promote evidence-based regulatory excellence for patient safety and public protection.
